

Your 2011 Prize catalogue

The Recycling Club

Collect points until November 12th

For Kids 4 - 16 Years

Yukon
Community Services

Remember These Important Dates!

They cannot be extended!

The first day to collect points is

Saturday
May 14th, 2011

Last day to collect points:

Saturday
November 12th, 2011

Last day to call the Recycling Club to order prize certificates with your points:

Wednesday
December 21st, 2011

Your last day to redeem a Recycling Club prize certificate at participating suppliers:

Saturday
January 14th, 2012

You can redeem your points for a prize certificate as soon as you have enough points.

The Recycling Club

Your 2011 Prize Guide!

When you join the Recycling Club you help your community recycling depot, you help keep your community litter free and you earn some great prizes!

The Club is sponsored by Yukon Community Services, the Recycling Fund and participating businesses.

Raven Recycling Society is responsible for points and prizes on behalf of the Club and other Yukon recycling depots.

Being a Recycling Club Member

Simply fill out the registration form and take it to your local recycling centre, or mail it to the Club.

You earn points by returning refundable beverage containers to your local depot. The depot cashier will give you your refund plus one point for every penny's worth of the refund. **Keep the point coupons in a safe place.** Look through the prize catalogue and see how many points you need for the prize(s) of your choice and call Raven Recycling for a prize certificate when you have enough points.

You can't collect points without a membership number. **If you were a Club member last year, you will need a new membership number for 2011.**

If you live in a community without a recycling depot you will have to find a way to get containers to a participating recycling depot. (see also point #2 under Rules for Collecting Points).

Rules for collecting points

1. Yukon residents between 4 and 16 years of age are eligible to become Club members. Youth groups can join if your members are 4 to 16 years of age.
2. Friends and relatives can also collect containers and points for you. Either go with them to the recycling depot and ask for a points coupon, or tell your friends your number so they can get a coupon for you when they turn in their containers.
3. You will not be awarded points for containers obtained from businesses such as restaurants, bars or stores or from groups and organizations who use them for their functions such as sports banquets or community events.
4. You can't transfer points to another membership number.
5. No member can collect more than 200,000 points.
6. Points must be earned! Please don't ask other depot customers for theirs.
7. If you break the rules of the Recycling Club, you may lose your membership and forfeit any points earned.
8. Recycling depot volunteers and employees and their families are not eligible for membership in the Recycling Club.
9. Additional points cannot be purchased.

TIPS for CLUB MEMBERS

1. Take your containers to the local recycling depot and collect the refund.
2. Show your Recycling Club Membership Card or simply give the cashier your membership number and ask for your points coupon. You will get one point for every penny's worth of refund. For example, an aluminium can with a 5¢ refund is worth 5 points.
3. **Save all your points coupons so you can keep track of your points. Points are not carried over from year to year.**
4. Points can only be awarded on refundable beverage containers. Refunds are given on all ready-to-drink beverage containers sold in the Yukon, except for dairy and dairy substitutes.

Claiming Prizes

Save your Club points until you have enough for a prize from the Club Catalogue. Call the Recycling Club and tell them which prize you want to claim.

You don't have to wait until the end of the Club's season to get prizes!

The points in your account are verified through Raven Recycling. You will receive a certificate, for one or more prizes of your choice, once your points are verified to confirm you have enough points.

Claim your prize by taking the certificate to the store printed on the front of the certificate. If you can't make it to the participating store, you may contact the Recycling Club to arrange for shipping at your expense. Make note of the expiry date on the prize certificate!

Sorting containers

If you sort your bottles and cans before you get to the depot, you'll be served faster.

Sort them by material type (glass, plastic, tin, aluminum or juice boxes) and according to the categories in the table below:

DEPOSITS & REFUNDS	DEPOSITS	REFUNDS
Small non-liquor (1000ml or less)	10¢	5¢
Large non-liquor	35¢	25¢
Small non-refillable liquor (200ml to 499ml)	15¢	10¢
Large liquor	35¢	25¢
Refillable beer & cider	10¢	10¢
Aluminum cans	10¢	5¢
