## **RECYCLING CLUB ENDS**

The last day to get points for the Recycling Club for Children is October 30<sup>th</sup>, 2004.

That's not this Saturday, but next.

No points will be issued beyond this date.

For those not in the know, the Recycling Club for Children rewards participants with points for every penny of refund they receive when recycling beverage cans and bottles.

In the Yukon, all ready-to-drink beverage containers are part of a deposit refund system. The one exception is dairy and dairy substitute containers, such as soy or rice milk.

A Recycling Club member gets not only the refund on the beverage containers but also points.

These points can be earned at any Yukon recycling depot.

Ask the cashier that hands out the refund for Recycling Club points.

When enough points have been accumulated, they can be redeemed for fabulous prizes.

These range from a Beanie Baby to a Supercycle Hooligan Aluminum Bike.

A Beanie Baby is a small plush doll, coming in myriad shapes and forms. Some of them are quite rare, and eagerly sought out by collectors.

A Supercycle Hooligan Aluminum Bike is pretty much self-descriptive, although there is a picture of one in the Recycling Club Prize Guide.

Some of the other prizes include swimming pool passes, book gift certificates and sports equipment.

Please note that the last day to claim a prize certificate is November 26<sup>th</sup>, 2004. This is when all those points earned prior to the end of October are redeemed for fabulous prizes.

To claim a prize, contact Raven at 667-7269 (or by e-mail at [admin@ravenrecycling.org](mailto:admin@ravenrecycling.org)).

Have your Recycling Club membership number ready, so Raven staff can look up on their super computers how many points you have.

Once you know how many points you have, look up in the Recycling Club 2004 Prize Guide which prize (or prizes) you'd like.

The prizes are also listed on the Raven Recycling website. It's at [www.ravenrecycling.org](http://www.ravenrecycling.org). To find the prizes just follow the Recycling Club links.

Once a prize has been decided upon, phone (or e-mail) Raven back and we'll print out the necessary prize certificates.

The certificates can be picked up from the Raven Recycling bottle refund counter.

Certificates claimed by Yukoners living outside of Whitehorse will be mailed to their local community recycling centre for pickup.

Once the Recycling Club member is in possession of their prize certificate, they can be taken to the appropriate merchant and redeemed.

The prize certificates must be redeemed by January 8<sup>th</sup>, 2005. Beyond this date, they are only good for placing in a recycling container.

Raven staff are available to deal with Recycling Club issues 8:30 to 4:30, Monday through Friday.

Note that this is different from when the bottle refund counter is open. It's open 9:00 am to 6:00 pm Monday through Saturday, and 11:00 am to 4:00 pm on Sunday.

Congratulations in advance to all the prize winners of the 2004 Recycling Club for Children.

Remember that Saturday, October 30<sup>th</sup>, 2004 is the last day to claim points.

*Lewis Rifkind is an employee of the Raven Recycling Society.*
